Heritage Prime Network

Premium network without the premium price

The provider network you choose is just as important as your health plan selection. Networks are a key driver in cost control and employee satisfaction. What if you could have the best of both worlds in one network?

Our Heritage Prime network is an expansive, ever-growing network designed with two things in mind—you get great value for your health-care dollar and your employees get statewide access to excellent care.

Key benefits

- > Great value for your healthcare dollar without sacrificing provider access or service.
- > **Premium savings ranging from 4% to 8%* or greater** compared to our traditional Heritage network.
- > Statewide access to a broad and growing network of providers and access to the BlueCard Program for care outside of Washington.
- > In-network providers include most major medical groups—for a partial list of providers, see the reverse side of this flyer.

Compared to Heritage Network¹

- > 98% of practitioners in Heritage are also contracted under Heritage Prime
- > 97% of provider groups in Heritage are also contracted under Heritage Prime
- > 93% of facilities in Heritage are also contracted under Heritage Prime
- > In most rural areas, Heritage Prime matches our full comprehensive Heritage network
