The terms of the Policy that affect your insurance are contained in the following pages. Your coverage may be terminated or modified in whole or in part under the terms and provisions of the Policy.

The Policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

This Certificate of Coverage describes the benefits that an insured Employee is entitled to receive and becomes a part of the Policy. **PLEASE READ THIS CERTIFICATE CAREFULLY.**

This Certificate voids and replaces any prior Group Life Insurance Certificate issued under the Group Policy Number shown above.

All terms of insurance under the Policy begin and end at 12:01 a.m. Standard time in the place where the Policy is delivered.

This Certificate includes an Accelerated Life Benefit provision. This Accelerated Life Benefit does not and is not intended to qualify as long-term care under Washington state law. Washington state law prevents this Accelerated Life Benefit from being marketed or sold as long term care. This Accelerated Life Benefit is intended to qualify under Section 101(g) (26 U.S.C. 101 (g)) of the Internal Revenue Code of 1986 as amended by Public Law 104-191.

Receipt of Accelerated Benefits from a life insurance policy may cause you to lose your right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security Income (SSI), and possibly others.

Also, receiving Accelerated Benefits from a life insurance policy may have tax consequences for you. We cannot give advice about this. You may wish to obtain advice from a tax professional or an attorney before deciding to receive Accelerated Benefits from a life insurance policy.

The Coverage Outline on Page C-2 will tell you the classes of employees eligible for insurance, when eligibility for insurance begins, if you are required to contribute to the cost of your insurance, and the amounts of insurance provided by the Policy. The Table of Contents on Page C-3 will help you find specific provisions. The Definitions section on Page C-4 will provide definitions of important terms used in this Certificate.

ELIGIBILITY AND EFFECTIVE DATES

This section explains how and when an Employee may enroll under the Policy and when an Employee's insurance will end.

A. ELIGIBILITY

You are eligible for coverage under the Policy if you meet the eligibility requirements stated in the Coverage Outline. Your eligibility date is the later of:

1. the date on which this Policy takes effect; or
2. the date specified by your Participating Employer which follows your completion of your Participating Employer's Waiting Period, if any.

If you are a former employee who is rehired within 6 months of the date your employment terminated, your previous service in an eligible class will apply toward the waiting period to determine your eligibility date.

B. EFFECTIVE DATE OF INSURANCE

Subject to Item D. ACTIVELY AT WORK PROVISION and any Evidence of Insurability requirements, you will become insured:

1. for Noncontributory Insurance – on your eligibility date;
2. for Contributory Insurance – as follows:
 - a. if you enroll for an amount equal to or less than the Guarantee Issue Amount within 31 days after first becoming eligible, coverage will take effect on your eligibility date; or
 - b. if you enroll for an amount above the Guarantee Issue Amount within 31 days after first becoming eligible, coverage for the amount above the Guarantee Issue Amount will take effect on the Effective Date assigned by us, as shown on your Confirmation Statement, if your Evidence of Insurability is approved; or
 - c. if you enroll for any amount more than 31 days after first becoming eligible, coverage will take effect on the Effective Date assigned by us, as shown on your Confirmation Statement, if your Evidence of Insurability is approved.

C. WHEN WE MAY REQUIRE EVIDENCE OF INSURABILITY

We will require Evidence of Insurability for all persons applying for insurance in any of the following situations:

1. the amount of insurance exceeds the Guarantee Issue Amount shown in the Coverage Outline;
2. for Contributory Insurance - enrollment is made more than 31 days after you first became eligible; or
3. you have previously converted your insurance under the Policy to an individual policy which is in force when you become eligible again following rehire.

Approval of coverage is subject to our review of your Evidence of Insurability. If insurance is approved, you will receive a Confirmation Statement verifying the amount(s) and Effective Date(s) of coverage. Coverage will begin on the Effective Date shown on your Confirmation Statement provided you are Actively at Work and performing all the regular duties of your own occupation and the required premium has been paid.

D. ACTIVELY AT WORK PROVISION

Coverage will take effect as scheduled only if you are Actively at Work all day on the last regular working day before the scheduled Effective Date. If you are absent from work due to illness (including pregnancy or complications of pregnancy) or injury, coverage will not become effective until the first day after you complete one full day of Active Work.

However, coverage will take effect on your regular day off, a holiday, or a paid vacation day, if the regularly scheduled Effective Date falls on that date and you were Actively at Work on the last regular working day before that date.

This Actively at Work requirement also applies to any increase in your coverage.

E. CONTINUITY OF COVERAGE

In order to prevent loss of coverage for an Employee when this Policy replaces a group life insurance policy the Policyholder had in force with another insurance carrier immediately prior to the Policy effective date, we will provide the following coverage.

Employees not Actively at Work on the Policy effective date

Subject to premium payments, you may become insured under this Policy on the effective date if you:

1. were insured under the prior carrier's group life insurance policy immediately prior to the Policy effective date; and
2. are not Actively at Work on the Policy effective date; and
3. are a member of an eligible class under this Policy; and
4. are not receiving or eligible to receive benefits under the prior carrier's group life insurance policy.

Any Life benefit payable will be the lesser of:

1. the Life insurance benefit payable under this Policy; or
2. the life insurance benefit payable under the prior carrier's group life insurance policy had it remained in force.

F. CHANGES IN INSURANCE

Changes in insurance due to changes in salary, classification and plan design will become effective on the first day of the month following or coinciding with the date of the change, except that:

1. all increases in insurance are subject to Item D. ACTIVELY AT WORK PROVISION; and
2. insurance which exceeds the Guarantee Issue Amount shown in the Coverage Outline will take effect on the Effective Date assigned by us if Evidence of Insurability is approved. However, once Evidence of Insurability has been approved, any further increases in insurance will not require submission of Evidence of Insurability.

G. WHEN INSURANCE ENDS

Your insurance under the Policy will end on the **earliest** of the following dates:

1. the date the Policy terminates;
2. the date your Employer is no longer an eligible Participating Employer of the Policyholder;
3. the date your employment with a Participating Employer terminates (please note: payment of premium for an employee who no longer meets the eligibility requirement does not continue coverage for such employee);
4. the date you retire;
5. the date you cease to be eligible.

Ceasing to be Actively at Work will be deemed termination of employment except that coverage may be continued with premium payment (unless coverage ends under 1. through 5. above) as follows:

Disability:

Coverage may be continued if your:

- a. ability to work is limited due to illness or injury; and
- b. eligibility ends because you are working less than the minimum number of hours required by your Employer to be a member of an eligible class.

If you meet the requirements of items a. and b. above, coverage will be continued during the period your ability to work is limited, for up to 6 months.

However, this provision will not apply if you are eligible for continued coverage under the Extension of Life Insurance During Total Disability provision.

Temporary Layoff:

Coverage may be continued during a temporary layoff.

If eligible, coverage will be continued through the end of the month that immediately follows the month in which the temporary layoff begins.

Military Service Leave of Absence:

Coverage may be continued during a leave of absence for military service of 30 days or more.

If eligible, coverage will be continued for up to the greater leave period provided under **Leave of Absence** or **Family and Medical Leave of Absence** below.

Leave of Absence:

Coverage may be continued during a leave of absence approved in writing in advance by your Employer.

If eligible, coverage will continue through the end of the month that immediately follows the month in which the leave of absence begins.

Family and Medical Leave of Absence:

Coverage may be continued during a Family and Medical Leave of Absence as defined by the Federal Family and Medical Leave Act of 1993, and any amendments.

If eligible, coverage will continue up to the greater of the leave period required under the:

- i. Federal Family and Medical Leave Act of 1993, and any amendments; or
- ii. applicable state law.

If your Employer's company rules do not provide for continuation of an Employee's Life and AD&D coverage during a Family and Medical Leave of Absence, your coverage will be reinstated when you return to active employment. We will not:

- i. apply a new Waiting Period; or
- ii. require Evidence of Insurability.

Continuation of Coverage During Labor Dispute:

If your compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, you may continue coverage for a period not exceeding six months by payment of premiums as they become due directly to the Policyholder or Participating Employer at the rate and for the coverage provided.

The amount of coverage shall not be increased nor decreased during the period of continued coverage. At the end of the period for which coverage may be continued, if coverage through the Policyholder is no longer available, you may purchase an individual life insurance policy from Texas Life Insurance Company (Texas Life).

When you are eligible for continued coverage under this provision, you will be notified immediately by the Policyholder or Participating Employer in writing, by mail addressed to the address last on record with the Policyholder or Participating Employer, that you may pay the premiums to the Policyholder or Participating Employer as they become due. Payment of the premiums when due is a condition required for continuation of coverage.

LIFE INSURANCE

Subject to any reduction or termination provisions of the Policy, if you die while insured under the Policy, we will pay the Life Insurance Proceeds to your Beneficiary(ies) when we receive Proof of your death.

Proceeds are the amount of insurance elected by the Participating Employer for which you are eligible on the last day of Active Work. All eligible proceed amounts are shown in the Coverage Outline.

FACILITY OF PAYMENT

The following paragraphs describe to whom we will pay the Proceeds when you die. Our liability for the payment ends if we make it in good faith.

A. PAYMENT TO BENEFICIARIES

We will pay the Proceeds to the designated Beneficiary or Beneficiaries listed on your enrollment form. If one or more Beneficiaries die before you, the deceased Beneficiaries and their estates have no rights to the Proceeds. Two or more surviving Beneficiaries will share equally, unless otherwise specified.

B. WHEN THERE IS NO SURVIVING BENEFICIARY

If there is no designated Beneficiary, or if the designated Beneficiary does not survive you, we will pay the Proceeds in equal shares to your surviving relatives of the highest rank of the following:

1. Spouse;
2. children;
3. parents; or
4. your estate.

Children, for the purposes of the Facility of Payment provision only, means biological and adopted children.

C. IF THE BENEFICIARY IS A MINOR OR INCOMPETENT

If a Beneficiary is a minor or not competent, we have the right to pay up to \$1,000 to the person or institution who appears to us to have assumed the Beneficiary's custody and principal support. We will take this action until or unless a formal complaint is made by a legal representative of the Beneficiary.

Our liability for the above payment ends if we make it in good faith. We will pay remaining benefits upon Proof acceptable to us of guardianship or conservatorship to the legal estate of the minor child or incompetent Beneficiary.

D. ADDITIONAL PAYMENT OF PROCEEDS

We may pay up to 10% of the Proceeds or \$1,000, whichever is greater, according to law, to any person who appears to us to have incurred costs from your last illness, death, or funeral.

REPATRIATION BENEFIT

We will pay a Repatriation Benefit in addition to the Life Insurance Proceeds if your death occurs more than 100 miles from your primary place of residence.

The Repatriation Benefit payable is the lesser of:

1. the expense incurred for:
 - a. preparation of your body for burial or cremation; and
 - b. transportation of your body to the place of burial or cremation; or
2. 10% of the Life Insurance Proceeds; or
3. \$5,000.

SETTLEMENT OPTIONS

We will pay the Proceeds in a lump sum to the designated Beneficiary or Beneficiaries unless another settlement option has been selected. Following are the other settlement options available.

A. MONTHLY PAYMENTS

Proceeds may be paid to each Beneficiary on a monthly basis for a fixed term of years if:

1. a written election is made by you; or
2. we receive a written request from each Beneficiary who is to receive Proceeds; and
3. we agree.

Each such monthly payment must be at least \$100.

The following table describes how monthly payments will be calculated.

TABLE OF MONTHLY PAYMENTS PER \$1,000 OF PROCEEDS

| <u>Years Payable</u> | <u>Monthly Payment</u> |
|----------------------|------------------------|
| 1 | \$84.28 |
| 2 | \$42.66 |
| 3 | \$28.79 |
| 4 | \$21.86 |
| 5 | \$17.70 |
| 10 | \$ 9.39 |
| 15 | \$ 6.64 |
| 20 | \$ 5.27 |

The above payments are based on 2.5% interest, compounded annually. We may also pay an additional interest that we may declare from year to year.

The first payment will be paid:

1. on the date Proceeds would have been paid in one sum; or
2. on the date the Beneficiary requests.

If all Beneficiaries receiving monthly payments die, we will pay the unpaid Proceeds plus earned interest in one sum to the estate of the last surviving Beneficiary.

B. OTHER SETTLEMENT OPTIONS

Other settlement options may be arranged if you and we agree. We will furnish data on these other options upon request.

EXTENSION OF LIFE INSURANCE DURING TOTAL DISABILITY

This provision does not apply to Accidental Death and Dismemberment Insurance.

Subject to the conditions which follow, we will continue your Life Insurance if we receive Proof of your Total Disability which began while this insurance was in force.

Total Disability or **Totally Disabled** means that as the result of illness or injury you are unable to perform the material duties of **any** occupation for which you are or become reasonably suited by education, training or experience and are under the Regular Care of a Physician.

Regular Care of a Physician means attended by a Physician whose treatment is:

1. consistent with the diagnosis of the disabling condition;
2. according to guidelines established by medical, research and rehabilitative organizations; and
3. administered as often as needed to achieve the maximum medical improvement.

Premiums for you must be paid to us during the first 6 months of your continuous Total Disability. If you submit Proof of Total Disability acceptable to us, Life Insurance will be continued without further payment of premium:

1. for the period of continuous Total Disability; and
2. for as long as the required Proof of continuous Total Disability is given to us, subject to Item D. WHEN EXTENDED LIFE INSURANCE ENDS.

We will refund up to 12 months of premiums that were paid for Life Insurance after the date you became Totally Disabled.

A. QUALIFYING FOR EXTENDED INSURANCE

To qualify for extended insurance, you must:

1. be Totally Disabled due to injury or illness;
2. first become Totally Disabled while insured for Life Insurance under this Policy;
3. have been Totally Disabled for at least 6 consecutive months;
4. be under age 60 on the date Total Disability began;
5. give us written Proof of continuous Total Disability within 12 months after the date the Total Disability began; and
6. give us written Proof of continuous Total Disability during the last 3 months of each subsequent 12 month term after the first.

If Proof of continuous Total Disability cannot be given to us within these times:

1. it must be given as soon as is reasonably possible; and
2. it must be given within 3 months after the time it is otherwise required.

We have the right to require that you undergo an exam by a Physician of our choice or approved by us. This exam will be done at our expense. We will not require an exam more than once a year after Total Disability has continued for two years.

NOTE: If you become Totally Disabled on or after your 60th birthday, but otherwise meet the above conditions for extended insurance, your Employer will continue your Basic Life insurance by payment of premium, subject to Item D. **WHEN EXTENDED LIFE INSURANCE ENDS**, except that coverage extended in this manner ends on the earlier of the date the Policy terminates or your attainment of age 65. This election of continued coverage applies to all qualified Employees of the Employer.

If you do not meet the above conditions for extended insurance and your coverage ends under the Policy, you may convert to an individual life policy under the terms shown in **CONVERSION**.

B. AMOUNT OF EXTENDED INSURANCE

The amount of insurance extended or paid will be the amount for which you were covered on the last day of Active Work, subject to any reduction or termination provisions of the Policy.

C. IF THE INSURED DIES

If you die prior to the date satisfactory Proof of Total Disability is furnished, we will pay the amount that would otherwise have been continued, if:

1. the Total Disability began while you were covered under the Policy; and
2. your death occurred within one year after the date the Total Disability began; and
3. we are given Proof of continuous Total Disability within one year after the date you died; and
4. we are given Proof of death.

D. WHEN EXTENDED LIFE INSURANCE ENDS

Extended Life Insurance will end on the earliest date you:

1. are no longer Totally Disabled;
2. fail to give us the required Proof of continuous disability;
3. refuse to undergo a medical exam at our request;
4. convert to an individual policy; or
5. reach age 65.

E. CONVERSION RIGHTS

If this extended Life Insurance benefit ends, or is denied, you become entitled to the conversion rights of the Policy as if eligibility ended on the date this benefit ended or was denied. However, if you become insured again under the Policy within 31 days after extended benefits ended, conversion rights will be denied.

ACCELERATED BENEFIT FOR TERMINAL ILLNESS

This provision does not apply to Accidental Death and Dismemberment Insurance.

If you are diagnosed by a Physician as Terminally Ill while insured for Life Insurance under the Policy, you may request payment of an Accelerated Benefit.

Accelerated Benefit means the amount of Life Insurance that may be paid in advance of your death if you are certified as Terminally Ill by a Physician. The amount of the Accelerated Benefit will be determined as shown in Item A. BENEFIT AMOUNT AND BENEFIT COST.

Terminally Ill or **Terminal Illness** means Physician certification that you have been diagnosed with a medical condition which is reasonably expected to result in death within twenty-four months or less after the date of the certification. Satisfactory certification must be made and submitted while you are covered under the Policy. Certification shall include, but is not limited to, clinical, radiological and laboratory evidence.

We may require, at our expense, an exam by a Physician of our choice.

A. BENEFIT AMOUNT AND BENEFIT COST

If you voluntarily request payment of an Accelerated Benefit and provide satisfactory Proof, we will pay the benefit to you. You may select the Accelerated Benefit amount, except that the amount may not exceed the **lesser** of:

1. 80 % of the Life Insurance in force on your life; or
2. \$250,000.

There is no cost for the Accelerated Benefit unless it is exercised. If exercised, the cost will be the interest, in advance, on the Accelerated Benefit for 24 months.

In no event will the interest rate be higher than the **greater** of:

1. the current yield on 90-day Treasury bills; or
2. the current maximum statutory adjustable policy loan interest rate.

The following formula will be used to calculate the interest charged:

Let A = amount of Accelerated Benefit you requested
i = annual interest rate charged
I = amount of interest charged

$$I = A - \frac{A}{1 + 2i}$$

The cost of the benefit as defined above will be deducted from the Accelerated Benefit Proceeds.

The Accelerated Benefit will be paid in one lump sum. Only one Accelerated Benefit may be paid during your lifetime under this Policy.

Benefit Cost Illustration

The following illustration shows how the cost of the Accelerated Benefit is calculated if the life insurance amount is \$50,000 and the Accelerated Benefit requested is 80%.

Amount requested = \$40,000 (80% of the life insurance amount)
Annual interest rate charged = 90-day Treasury Bill Rate (assume 5%)

$$\frac{\$40,000 - \$40,000}{1 + 2(.05)} = \$3,636.36 \text{ Benefit Cost}$$

\$40,000.00 Benefit Requested
- 3,636.36 Benefit Cost
\$36,363.64 Accelerated Benefit Payable to the Employee

The remaining group life insurance amount is \$10,000. Premium on the remaining life insurance will be waived when an Accelerated Benefit is paid.

The amounts shown in this section are for illustration purposes only and do not reflect the amounts available under the policy.

B. CONDITIONS

Payment of an Accelerated Benefit is subject to the following conditions:

D. EFFECT ON LIFE AMOUNT

Within 20 days of receipt of the request for Accelerated Benefits, we will send you and your irrevocable beneficiary, if any, a statement showing how the Accelerated Benefit is calculated and what effect payment of the Accelerated Benefit will have on the Life Insurance amount. 2. the Accelerated Benefit paid to you.

If you are eligible for Accidental Death & Dismemberment (AD&D) benefits and suffer a Covered Loss that is payable under the AD&D benefits, such benefit will not be effected by payment of the Accelerated Benefit.

E. WAIVER OF PREMIUM

At the time the Accelerated Benefit is paid, we will waive the Life Insurance premium for the amount of Life Insurance that remains in force after payment of the Accelerated Benefit.

CONVERSION

This provision does not apply to Accidental Death and Dismemberment Insurance.

Subject to the conditions which follow, any person insured under this Policy may convert all or part of this coverage to an individual life policy issued by Texas Life Insurance Company (herein called Texas Life) without Evidence of Insurability. Time served under this Policy will apply to the incontestability and suicide exclusion provisions of the conversion policy issued by Texas Life.

A. ELIGIBILITY FOR CONVERSION

An insured person will be eligible to obtain an individual life insurance policy during the conversion period if his or her coverage, or any portion of it, ends under this Policy due to:

1. termination of employment;
2. termination of membership in an eligible class;
3. ceasing to be eligible according to the eligibility provisions of this Policy;
4. retirement; or
5. termination or reduction of benefit due to reaching a specified age as shown in the Coverage Outline.

B. TIME LIMIT FOR CONVERSION

An individual life insurance policy will be issued only if the insured person gives Texas Life a written request to convert within 31 days of the date his or her coverage ends under this Policy.

The premiums for the first term of coverage for the individual policy must be paid before the policy will be issued. The conversion policy will take effect at the end of the 31 day conversion period.

C. CONVERSION POLICY BENEFITS

The conversion policy will be on an individual plan of life insurance offered by Texas Life, except term insurance, and will not include any disability benefits. Premium rates for the conversion policy will be based on:

1. the person's age at the date of issue of the whole life policy; and
2. the premium rates then in use by Texas Life.

The face amount of the conversion policy must be at least \$1,000, but may not exceed the lesser of:

1. The amount of group life insurance in force under this Policy on the last day of coverage; or
2. \$150,000.

D. CONVERSION WHEN THIS POLICY TERMINATES

If this Policy terminates or is amended so as to reduce or terminate insurance, the person's conversion rights are limited as follows:

1. Conversion is available only if the person was covered under this Policy for five years prior to the date of termination of insurance; and
2. The amount the person may convert is limited to the lesser of:
 - a. the amount of insurance which ended under this Policy, less any other group life insurance through the same Employer for which the person becomes eligible during the 31 day conversion period; or
 - b. \$10,000.

The face amount of the conversion policy must be at least \$1,000.

E. IF THE INSURED PERSON DIES

If the insured person dies during the 31 day conversion period, we will pay a life benefit under this Policy. The Proceeds payable will be the maximum amount available for conversion, whether or not application for conversion was made.

Any individual policy issued in accordance with this conversion provision must be surrendered without a claim and any premiums paid for it will be refunded.

F. PROTECTING THE RIGHT TO EXTENDED INSURANCE

Conversion to an individual policy will not void any right under extended insurance if all of the conditions of that provision are met within the time required. If insurance is extended, any individual policy issued in accordance with this conversion provision must be surrendered without a claim and any premiums paid for it will be refunded.

The Coma Maximum Benefit Amount equals the Principal Sum under the AD&D Benefit, less all other payments under the AD&D Benefit for all losses which are due to the same accident.

The Coma Benefit will no longer be payable on the earliest of:

1. the end of the month in which you die;
2. the end of the month in which you recover from the Coma;
3. the date on which the total of Coma Benefit payments equals the Coma Maximum Benefit Amount; or

If no Dependent qualifies for Day Care Benefits, we will pay \$2,500, in accordance with your beneficiary designation.

F. EXPOSURE AND DISAPPEARANCE BENEFIT

1. it results from the forced landing, stranding, sinking or wrecking of a conveyance in which you were an occupant at the time of the accident; and
2. the Policy would have covered an Accidental Bodily Injury resulting from the accident.

We will presume that you suffered Loss of Life if:

1. your body has not been found within one year after the disappearance of a conveyance in which you were an occupant at the time of its disappearance;
2. the disappearance of the conveyance was due to its accidental forced landing, stranding, sinking or wrecking; and
3. the Policy would have covered an Accidental Bodily Injury resulting from the accident.

1. training; and
2. materials needed for the training.

The expense must be incurred during the two year period that begins on the date of your accident.

The Seat Belt Benefit payable is the lesser of:

1. the Principal Sum; or
2. \$10,000;

however, if such verification is not available and it is unclear whether you were properly wearing a Seat Belt at the time of the accident, we will pay a benefit of \$1,000, in addition to the Principal Sum.

Automobile means a duly registered four-wheeled, private passenger car, pick-up truck, van, self-propelled motor home or sport utility vehicle which is not being used as a Common Carrier.

Seat Belt means an unaltered belt, lap restraint, or lap and shoulder restraint installed by the manufacturer of the Automobile, or proper replacement parts as required by the Automobile manufacturer's specifications.

1. you were positioned in a seat that was equipped with a factory installed Air Bag; and
2. you were properly strapped in the Seat Belt when the Air Bag inflated; and
3. the police report establishes that the Air Bag inflated properly upon impact.

Air Bag means an inflatable supplemental passive restraint system installed by the manufacturer of the Automobile, or proper replacement parts as required by the Automobile manufacturer's specifications, that inflates upon collision to protect an individual from injury and death. An Air Bag is not considered a Seat Belt.

1. the Expense Incurred for Occupational Training; or
2. 5% of the Principal Sum; or
3. \$5,000.

We will pay the Spouse Education Benefit immediately after we receive proof that your Spouse has enrolled in an Occupational Training Program.

If there is no surviving Spouse, we will pay \$2,500, in accordance with your beneficiary designation.

Occupational Training means any:

1. education;
2. professional; or
3. trade training

program which prepares the Spouse for an occupation for which he or she otherwise would not have been qualified.

Expense Incurred means:

CLAIMS

This section explains some of the terms and conditions relating to payment of claims.

A. CLAIM FORMS

We will furnish the claim forms for filing Proof of Loss within 15 days after they are requested. If we do not do so, the claimant may comply with the Proof of Loss requirements of the Policy by submitting:

1. written Proof showing the occurrence, nature and extent of the loss for which claim is made;
2. the Proof within the time fixed in Item B. PROOF OF LOSS.

B. PROOF OF LOSS

1. Written Proof of Loss must be furnished to us at our Home Office within 90 days after the date of the loss.
2. Failure to furnish Proof will not invalidate nor reduce any claim if it is not reasonably possible to give Proof within 90 days, provided the Proof is furnished as soon as reasonably possible.
3. In no event, except in the absence of legal capacity of the claimant, may Proof be given later than one year from the time Proof is otherwise required.
4. Proof of continuing disability must be furnished within 90 days of the date such Proof is requested.

C. PHYSICAL EXAM AND AUTOPSY

We have the right and opportunity to have a person whose injury or illness is the basis of a claim examined by a Physician of our choice at our expense. This right may be used as often as reasonably required while the claim is pending and, in the case of death, includes an autopsy, where it is not forbidden by law.

D. INCONTESTABILITY

In the absence of fraud, any statement by you or your Dependent to obtain coverage under the Policy will be a representation and not a warranty. No misrepresentation will be used to reduce or deny a claim or to deny the validity of coverage unless:

1. coverage would not have been approved except for the misrepresentation;
2. the misrepresentation is contained in a written instrument signed by you or your Dependent;
and
3. a copy of the written instrument containing the misrepresentation has been given to you, the Dependent or the Beneficiary.

After coverage has been in effect for two years during the lifetime of the person, no misrepresentation will be used to reduce or deny a claim or to deny the validity of coverage.

The validity of the Policy will not be contested after it has been in force for two years, except for nonpayment of premiums.

E. PAYMENT OF CLAIMS

We will pay the Proceeds for insured losses as soon as we receive satisfactory Proof of Loss.

If we fail to pay the Life Insurance Proceeds under this Policy within 30 days after we receive due Proof of death, and if the Beneficiary elects to receive a lump sum settlement, we will pay interest on the Proceeds after the expiration of the 30-day period. We will compute the interest from the date of the insured person's death until the date of payment, at a rate not lower than that paid by the insurer on other withdrawable policy owner funds, or eight percent, whichever is greater. Interest on claims not paid within 90 days of receipt of due Proof of death will be this amount, plus three percent.

At the end of the 30-day period specified above, we will notify the designated Beneficiary at his or her last known address that interest at the applicable rate will be paid on the lump sum Proceeds from the date of death of the insured person.

F. REVIEW PROCEDURE

A claimant has the right to a review of any denial by us of all or any part of a claim. To obtain a review for life insurance claims, a written request for review should be sent to us at our Home Office within 60 days after the claimant receives notice of denial. We will review the claim promptly after receiving the request. For life insurance claims, we will send the claimant written notice of our decision within 60 days after the request for review is received, or within 120 days if special circumstances require an extension. For disability insurance claims, we will send the claimant written notice of our decision within 45 days after the request for review is received, or within 90 days if special circumstances require an extension. The notice will include the reasons for the decision and will refer to the specific provisions of the Policy on which the decision is based.

Another person may be authorized to act for the claimant under this review procedure.

The Plan Sponsor has the right to amend or terminate the Plan at any time. In addition, termination of the group insurance contract entered into between the Plan Sponsor and Insurance Company will constitute termination of the Plan, unless the Plan Sponsor exercises its sole discretion to obtain a substitute contract of insurance.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 as amended ("ERISA"). ERISA provides that all plan participants shall be entitled to:

- Examine, without charge, at the Plan Administrator's principal office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series), if any, filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description (SPD). The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual Form 5500, if any is required by ERISA to be prepared, in which case the Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan benefit or exercising your rights under ERISA.

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps that you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report (Form 5500), if any, from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 per day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored in whole or in part, and if you have exhausted the claims procedures available to you under the Plan, you may file suit in a state or federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor (listed in your telephone directory) or contact the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM REVIEW PROCEDURES

The Insurance Company is responsible for evaluating all benefit claims under the Plan. The Insurance Company will decide your claim in accordance with its reasonable claims procedures, as required by ERISA.

See the attached Certificate of Coverage issued by LifeMap Assurance Company for information about how to file a claim and for details regarding the Insurance Company's claims procedures.

LIFE INSURANCE

The Plan will make every effort to make a determination on life and accidental death claims within 90 days of receipt of the claim.

If the Plan is not able to make a decision on the claim within 90 days of receipt of the claim for reasons beyond the control of the Plan, the decision may be extended for as many as 90 additional days. If this is the case, written notice will be provided to the claimant prior to the end of the first 90 days that details the specific reason(s) for the delay. The notice will identify the additional information or documents needed to resolve the claim.

The maximum time the Plan will take to make a decision on the claim will be 180 days.

DISABILITY INSURANCE

The Plan will make every effort to make a determination on short term disability, long term disability, and extension of life insurance during total disability (waiver of premium) claims within 45 days of receipt of the claim.

If the Plan is not able to make a decision on the claim within 45 days of receipt of the claim for reasons beyond the control of the Plan, the decision may be extended for as many as 30 additional days. If this is the case, written notice will be provided to the claimant prior to the end of the first 45 days that details the specific reason(s) for the delay. The notice will identify the additional information or documents needed to resolve the claim. The claimant will be allowed at least 45 days to provide any requested information. The time it takes for the claimant to provide this additional information will not count toward the extension period time limit.

A second 30 day extension may occur if the claim still cannot be resolved for reasons beyond the control of the Plan. Again, the claimant will be provided with a written extension notice prior to the end of the first 30 day extension that details the specific reason(s) for the delay. The notice will identify the additional information or documents needed to resolve the claim. The claimant will be allowed at least 45 days to provide any requested information. The time it takes for the claimant to provide this additional information will not count toward the extension period time limit.

The maximum time the Plan will take to make a decision on the claim, not including the time it takes for the claimant to provide any additional information or documents that were requested, will be 105 days.

CLAIM APPEAL PROCEDURES

LIFE INSURANCE

If a life or accidental death claim is denied, the Plan will provide the claimant with a letter stating the specific reason(s) for the adverse determination. The claimant will also be provided with a description of any additional information or material necessary to perfect the claim and an explanation as to why such material is necessary.

The claimant will have 60 days following receipt of an adverse benefit determination to file an appeal. Another person may be authorized to act for the claimant under this appeal procedure.

The appeal will be decided within 60 days after receipt of the appeal. The 60 day time period will start when the appeal is filed without regard to whether all of the information necessary to decide the appeal accompanies the filing.

If, for reasons beyond the control of the Plan, the appeal cannot be decided within 60 days, the appeal decision may be extended for as many as 60 additional days. The maximum time to decide the appeal will be 120 days.

DISABILITY INSURANCE

If a short term disability, long term disability, or extension of life insurance during total disability (waiver of premium) claim is denied, the Plan will provide the claimant with a letter stating the specific reason(s) for the adverse determination. The claimant will also be provided with a description of any additional information or material necessary to perfect the claim and an explanation as to why such material is necessary.

The claimant will have 180 days following receipt of an adverse benefit determination to file an appeal. Another person may be authorized to act for the claimant under this appeal procedure.

The appeal will be decided within 45 days after receipt of the appeal. The 45 day time period will start when the appeal is filed without regard to whether all of the information necessary to decide the appeal accompanies the filing.

If, for reasons beyond the control of the Plan, the appeal cannot be decided within 45 days, the appeal decision may be extended for as many as 45 additional days.

The maximum time to decide the appeal will be 90 days.
